Situation:

The product is beyond its support life, so it is out of support and repairs are no longer available.

Solution/Action:

For customer satisfaction Agilent is offering the following upgrades to the actual 81600B Tunable Laser Source.

- ♦ Please order product **81600B #UG5** for an upgrade from TLS series 81640A/B or 81680A/B to **81600B #160**.
- ♦ Please order product **81600B #UG6** for an upgrade from TLS series 81640A/B or 81680A/B to **81600B #150**.
- ♦ Please order product **81600B #UG7** for an upgrade from any TLS series 81xx0A/B or 816x2A/B to **81600B #201**.

Specifications for the individual 81600B options can be found in the 81600B User's Guide on the Agilent Internet.

For ordering the 81600B #UGx upgrade please contact the Agilent sales representative.

For Agilent Service Center

Please pass the customer information to the Agilent sales organization.
