**Situation:**

The addition of these sheet-metal parts allows the new power supply to be attached to the rack-mount kit.

**Solution/Action:**

Please refer to the pdf document 5972-0666 (Rack mount opnote)

- 1) Remove the Adapter Anchor Bracket. Remove the power supply. Remove the Monitor Tap Anchor Bracket for J6828A. Do not discard connector HW as it will be re-used.
- 2) Replace the Monitor Tap Anchor bracket with the Power Supply Tray.(5002-9558)
- 3) Replace the Adapter Anchor Bracket with the Power Supply Clamp. (5002-9559)
